

Adventures in Medicine

Cedar Park Regional Medical Center

2009-2010

Do you dream of being a
doctor or nurse?

Now you have the opportunity to explore a variety of healthcare careers, AND Cedar Park Regional Medical Center invites young men and women, ages 13 to 18, to participate in our second annual Adventures in

have a great time doing it! Center invites young men to participate in our second Medicine (AIM) program.

The AIM program is especially designed for kids interested in learning about health and medical careers and participating in "hands-on" activities. The program is free and meetings occur during the school year on the **second Tuesday of each month from 6-8pm in the CPRMC Cafe**. AIM advisors coordinate the hospital physicians, clinical staff and other community health professionals to share specific career expertise and provide interactive experiences within various specialties of medicine.

For more information, please contact Dana Mathison, CPRMC AIM Coordinator, at 528-7100.
