Circle Around

Jayme Cudworth
Community Relations Coordinator

From Our CEO

Tim Adams

Happy Fall! Now, if only we needed our jackets and could turn off our air conditioners, right? Soon enough, my friends, there will be a chill in the air and the holidays will be upon us! The coming months are filled with interesting educational events and fun opportunities to celebrate and be festive. So, please read on and study your calendar closely – we don't want you to miss a thing. And, be sure to recruit new members for a chance to win some money to help with those holiday bills! Good Luck!! ~ *Jayme*

It was great to hear that so many of you were able to tour the new Wound Care Center and meet the team. In the coming months, there will be more exciting developments at Cedar Park Regional Medical Center, such as the expansion of our Maternity Services and development of our new Neonatal Intensive Care Unit. We will also continue to introduce new physicians like Heath Parker, D.O. of Lago Vista who is board-certified in Internal Medicine and Pediatrics, and Greg Berkley, M.D. of Liberty Hill who is board certified in Internal Medicine and Non-invasive Cardiology. As always, it's our privilege to provide these services to you and your families. Thanks for letting us be your community hospital. ~ *Tim*
